

Got a business idea but unsure how to develop it...

...the Newcastle
Enterprise Package
can help you fit the
pieces together!

A step by step guide to starting a business, the Newcastle Enterprise Package offers practical support and hands on advice.

Delivered by the North East Business and Innovation Centre (BIC), it includes six informative weekly sessions, covering the principle areas of setting up a business:

- Week 1: Is Self Employment for You?**
- Week 2: Business Planning**
- Week 3: Click with your Customers**
- Week 4: Rules and Regulations**
- Week 5: Legal Issues**
- Week 6: Health and Safety Programme Review**

In addition to the group learning activities, guidance and one to one support from a mentor is also available.

To be eligible, you should:

- **be over the age of 18**
- **not enrolled in full time education**
- **live in an eligible post code area**
- **have a business idea but not yet starting trading**
- **be enthusiastic**
