

Veterans RV

Former military personnel seeking a new challenge?

Veterans have the skills, experience and leadership qualities to become successful business owners. Veterans RV could be your pathway to starting your own business.

Designed by veterans for veterans, the FREE 12-week programme is very informal, comprising of face-to-face tailored support as well as networking and events with like-minded veterans who are on the same journey.

Delivered in Sunderland, the **free programme** includes:

Mentoring, support and training

Networking, peer to peer support and collaboration

Access to experienced advisers and network

The space to build
a better business

Join us today and maximise your full potential. Call **0191 516 6047** or visit **www.ne-bic.co.uk/veteransrv**

Who is Veterans RV for?

Veterans RV is ideal for reservists, those who have left the military already or are in the process of leaving and transitioning to civilian life.

What's involved?

Evaluate your skills and experience

Overcome obstacles to self-employment

Focus on your goals and target market

Focus on your business plan

Develop your route to launch

Workshops and networking
